

**Come Grow with Us**

*An original town.*

The China Grove Veterans Memorial at the Community Park will be a lasting tribute to all who have served in the United States Armed Forces. The project is a joint effort of the Town of China Grove, and Taylor Clay Products Inc. The memorial is a glazed brick sculpture of the United States flag and includes a series of five granite plaques, commemorating each branch of the armed forces. There will be a bronze eagle mounted on the top.
